☐ Swim Diapers: Children who are not yet toilet-trained must wear a swim diaper underneath their swimsuit before entering the water.

☐ Pets: Pets are welcome to enter the pool area, but they are strictly prohibited from entering the pool or jacuzzi water.

☐ Tattoos: Guests with tattoos are required to cover them by wearing a rash guard or using concealment stickers.

☐ Health and Safety Restrictions: Admission is denied to individuals prohibited from swimming by a doctor, those suspected of having infectious diseases, or anyone under the influence of alcohol.

☐ Footwear Requirement: Due to the type of wood used for the poolside deck, there is a risk of splinters, so please wear footwear at all times.
(Please remove your footwear before entering the water.)

☐ Jacuzzi Safety: When using the jacuzzi, please be sure to use the provided steps. Also, do not submerge your head underwater under any circumstances, as hair may become caught in the drainage system.
